compassionate productivity!

The season pass is packed with exciting shit and lots of goings on, but don't worry if you can't make it to everything, as there will be replays! Think of it like a Pic 'N' Mix where you get to pick and choose what resonates with you the most and works for your schedule. And don't forget, even if you can't make it to all the events, you'll always be welcome at what you can make, and we can't wait to see you!
